

STAY IN TOUCH AROUND THE OFFICE

– DUO HEADSET WITH TRIPLE CONNECTIVITY AND SUPERB SOUND

Do you battle against the background noise at work? If you can't get the peace and quiet you need to make important calls, try our new Jabra PRO™ 9465 headset. A series of noise-canceling, sound enhancing technologies make this headset ideal for office personnel and specialists working in shared spaces. And thanks to triple connectivity, you no longer have to think about which phone is ringing. Whether a caller is trying to get through on your desk, soft or mobile phone, the call will always come to the same headset. You just tap the talk button and answer.

GET SOME PEACE AND QUIET

If your job involves making phone calls in noisy environments, the Jabra PRO™ 9465 headset is for you. A long boom arm enables optimum voice pick-up and the Duo headset channels sound to both ears, which also helps reduce background noise. Wideband sound quality ensures that the audio you hear is crystal clear, while SafeTone technology protects your hearing. Meanwhile, a noise-canceling microphone with advanced Digital Signal Processing helps your voice come across clearly to the caller too.

JUST TOUCH THE SCREEN!

The Jabra PRO™ 9465 has a stylish touch screen base which unites your desk, mobile and softphone. It connects to your headset via DECT technology, offering a wireless range of up to 150m. A SmartSetup wizard provides a simple, step by step

guide to connecting your phones and choosing your preferences. Colorful icons and an intuitive menu system make this device genuinely user friendly – both for set up and later during call handling.

- Multiuse connectivity: desk, mobile and softphone
- Touch screen base with SmartSetup wizard
- Noise-canceling microphone and Digital Signal Processing
- Wideband sound (150 Hz – 6,800 Hz)
- Full hearing protection with Jabra SafeTone
- Up to 150m wireless range
- Minimal energy-consumption with Jabra IntelliPower
- Duo headset
- Up to 11 hours talk time

JABRA PRO™ 9465

	FEATURES	BENEFITS
Ease of use	Up to 150m* wireless hands-free telephony with DECT and DECT 6.0 with CAT-iq technology	Long range and reliable connectivity gives users the freedom to multi-task with maximum efficiency and answer phone calls from any location in the office.
	Multiuse connectivity – desk, soft and mobile phone (mobile phone connects to headset base via <i>Bluetooth®</i>)	Allows users to switch seamlessly between calls on desk phones, softphones and mobile phones.
	Talk time up to 8h in wideband sound mode and up to 11h in narrowband sound mode	No need to charge headset for a full working day.
	Headset controls: – Multifunction button – Headset touch panel	Includes remote answering/ending of calls, voice-activated dialing, call rejection, redial function, swapping between held calls. Volume control and microphone mute.
	2.4" Touch-sensitive screen in Q-VGA resolution for call handling, system configuration and setup wizard	Intuitive touch screen call management. Shows active phone device and lets you redial. Easy system configuration with SmartSetup wizard and auto setup.
	Standby time 46h	Less need to charge headset.
	Voice recording from desk and mobile phone	Save your conversations on a PC (PC recording application required).
Comfort	Wearing style: – Headband	Headband with ultra-soft earcushions ensures all day comfort.
	Headset weight 70g.	Lightweight office headset.
Audio	Wideband sound and DSP (Digital Signal Processing)	Hear and be heard with digitally enhanced speech and sound in wideband quality. Helping users hear what customers are saying, this feature enhances understanding and call efficiency.
	Supports both wideband (150-6,800 Hz) and narrowband (300-3,400 Hz) to match phone system	Close integration with the specific type of phone system means better call clarity for both parties. Bandwidth can be selected per phone.
	Single noise-canceling microphone with DSP	Reduces distractions by almost eliminating background noise, so only the user's voice is transmitted.
	Jabra SafeTone technologies	Protects users' hearing by cutting off sound spikes and sudden loud noises (PeakStop™ protection). Secures safe average sound levels throughout the day (IntelliTone™). Fully compliant with noise-at-work legislation.
Additional	E-hooks and free drivers available on www.jabra.com/pcsuite	Users can answer/end calls up to 150m away from their desk and softphone.
	Minimal energy consumption with Jabra IntelliPower system	Headset and base go into sleep-mode when not active. Screen display is automatically dimmed and a switch mode power supply ensures reduced power consumption. This saves energy and reduces CO ₂ emissions.
	Security: encryption between headset and connected device	Secure conversation. No one can listen in on your conversations.
	Security: Kensington Lock	Theft protection of the base.
	North America: One-year limited warranty	With GN Netcom's no fine print 1-year warranty, you'll enjoy worry-free ownership.
	Europe/APAC: Two-year limited warranty	With GN Netcom's no fine print 2-year warranty, you'll enjoy worry-free ownership.

* Range varies according to the environment in which the headset is used

SAFETY

The Jabra PRO™ 9465 meets the requirements of the international standard IEC 60950-1. It also meets EN 60950, AS/NZS 60950 and UL 60950 IT equipment safety standards.
