

## THE HEADSET FOR THE CONTACT CENTRE PROFESSIONAL

- A true value-for-money workhorse
- Durable and lightweight
- Designed especially for intensive contact centre use

The Jabra GN2200 ProLite delivers professional performance and great value. It's the smart, cost-effective headset investment decision that doesn't compromise on sound quality or durability. The Jabra GN2200 ProLite will increase agent work productivity and performance.

Designed for noisier environments, the Jabra GN2200 ProLite is the ideal solution for contact centres. Its noise-cancelling microphone ensures that background noise from your work environment won't be transmitted to your customers' ears. The headset comes complete with direct-connect cord. Simply plug the headset into the desktop telephone's headset module and you're ready to profit from the Jabra GN2200 ProLite's lower cost of ownership.

The Jabra GN2200 ProLite's durable, sleek flex boom can be adjusted to suit individual preferences. Its headband wearing style complete with two, king-sized leatherette ear cushions will ensure all-day wearing comfort, and the contoured design and trendy black finish give the Jabra GN2200 ProLite its professional distinction.

## FEATURES & BENEFITS

| FEATURE                              | BENEFIT  |
|--------------------------------------|--|
| Flex boom arm                        | The Jabra GN2200 ProLite's flex boom is stylish and incredibly durable. The boom's turret has been tested for 50 000 rotations, ensuring years of trouble-free usage |
| Noise-cancelling microphone          | The headset's noise-cancelling microphone filters out unwanted background noise, making it ideal for use in louder work environments                                 |
| Headband (binaural) wearing style    | The Jabra GN2200 ProLite comes in the headband (binaural) wearing style for your complete comfort  |
| King-sized, leatherette ear cushions | The large leatherette ear cushions ensure all-day wearing comfort and let you concentrate on your calls. The leatherette surface is also easy to keep clean          |
| Durable, lightweight construction    | Designed throughout for intensive call centre use, the Jabra GN2200 ProLite is exceptionally durable. And at only 60 grams, it's still easy to wear all day          |
| Direct-connect connection cord       | Thanks to the headset's direct-connect cord, simply plug the headset directly into your telephone and you're all set   |
| Headset pouch                        | The convenient headset pouch is the ideal place to store your Jabra GN2200 ProLite   |
| 2-year warranty                      | With GN Netcom's "no fine print" 2-year warranty, you'll enjoy worry-free ownership  |
